8. HCAOG Executive Director and Staff Reports

Executive Director Burks reported on the following:

- The STIP and Formula TIRCP have been HCAOG's main priorities. Information regarding other previously discussed topics such as the Carbon Reduction Program will be brought back to the TAC at future meetings.

9. TAC Member Reports

Saskia Rymer-Burnett announced that the call for applications for the 24-25 Sustainable Transportation Planning Grant and the Climate Adaptation Grants was announced today (10/5). Applications are due January 18th. \$53.4 million is available. A workshop will take place on October 26th.

Brendan Byrd discussed fleet transition. The PG&E Fleet Program has funding available for meter side improvements for electrification for fleet customers.

Misty Rickwalt asked the TAC if they would be interested in a presentation from a research company regarding the use of propane in low emissions efforts. The TAC asked Misty to look into whether this could be applicable in California.

Netra Khatri discussed the changes to traffic movement at the construction site of the Indianola Undercrossing.
