- City of Blue Lake request

**Staff's Recommended Action:**

1. Introduce the item as an action item;
2. Allow staff to present the item;
3. Allow Blue Lake to present their proposals;
4. Receive public comment;
5. Direct staff as necessary.

“I move that the TAC forward a recommendation to the HCAOG Board to approve the City of Blue Lake’s allocation request of \$5,000 from the 2% Bike and Pedestrian fund”.

**Staff Summary:**

Pursuant to HCAOG’s adopted Rules and Regulations for the Administration of the Transportation Development Act 2% of the available Transportation Development Act (TDA) Local Transportation Funds (LTF) is set aside for the exclusive use of projects aiding bicyclists and pedestrians.

For the 2023 cycle a single project was put forward, leaving \$44,600 of available funds unspent. The TAC indicated the funds could be requested on an as-needed basis throughout the year. Any unused funds will be rolled into the available amount for next year's solicitation.

The City of Blue Lake is applying for \$5,000 to consult with Dan Burden Consultants to develop bike and pedestrian safety criteria and Complete Street strategies that meet the needs of the community.

Staff seeks a recommendation from the TAC that will be forwarded to the HCAOG Board for final approval.
