Motion to be approved by consent:

“The PAC recommends that the HCAOG Board adopt Resolution 23-05 approving the City of Trinidad’s FY 23-24 LTF claim in the amount of \$45,218.”

Staff Summary:

The Transportation Development Act (TDA) provides two major sources of funding, Local Transportation Funds (LTF) and State Transit Assistance (STA) funds, for public transportation in California administered by Regional Transportation Planning Agencies. Each jurisdiction has its own LTF account held at the County Auditor’s office. HCAOG’s role is to ensure that claim forms submitted conform to TDA regulations.

The LTF revenues are derived from a 1/4 cent of the general sales tax collected statewide. In February 2023, the HCAOG Board adopted Resolution 23-01, approving the TDA LTF findings of apportionment and allocation for FY 2023-24.

The City of Trinidad’s LTF claim in the amount of \$45,218 has been reviewed in accordance with the TDA Guidelines and HCAOG's TDA Rules and Regulations and is recommended for approval.
